WORKSHOPS AND LESSONS IN MAKING AND DESIGNING FASHION

## General conditions Bias Cut Workshops and classes of Dorrith de Roode

### Article 1. General provisions

These general conditions apply to all services, courses and/or workshops of Bias Cut workshops and classes of Dorrith de Roode.

Derogation from these terms, is only possible if this has been agreed in writing.

In these general conditions the following terms are used:

**Participant (or student):** natural person representing him- or herself for a course, registered workshop or private lesson, organised by Dorrith de Roode.

**Student:** natural person enrolled has Bias Cut Workshops and classes of Rhoda, de Roode. A private individual who by Bias Cut Workshops and classes of Rhoda, Darwish organized course, workshop, training, or want to go follow individual training or thereabouts enquiries.

**Workshop, training, course:** all courses, workshops, seminars, trainings, lectures, in the broadest sense of the word.

**Cost:** the fee that the participant pays to Bias Cut Workshops and classes of Dorrith de Roode due for participating in a course, workshop, seminar or consultation.

Bias Cut Workshops and classes is the trading name of Dorrith de Roode, these general conditions apply to all contracts for participants of the workshops, course or private lesson.

Deviations from these conditions shall only be binding if they have been confirmed in writing by Bias Cut Workshops and classes of Dorrith de Roode.

### **Article 2. Offers**

The lessons: the program of the course is adapted to the learning needs of the participant. The groups are small with a maximum of 6 participants. Each is working on a project on his or her own level. In general we work with existing patterns from brands such as Burda. These patterns are present and do not need to be purchased by the student. The lesson contains information of how to learn to read patterns, figuring out the right fabric for the garment, the cutting of fabric and using the right grain, consider print and pattern, the manufacturing of the garment and sewing techniques that came with the chosen garment (think of gathering, zippers, hems, using the lock machine). If the student is interested in making a proprietary pattern then this is possible. In that case I work with the Rundschau system.

For the workshops, lessons and partys: the making of a first quote and making changes are non-binding and free of charge. All other costs incurred workshops and classes of Bias Cut Workshops of Dorrith de Roode, including other work expressly understood the conduct of follow-up calls, consultation, preparation time and making further changes, will be charged at the client or participant in accordance with the Bias Cut charges applied by Dorrith de Roode.
